

# 2019 MADISON CHAMBER MUSIC FESTIVAL

## Madison-Morgan Cultural Center

Unique to Georgia and possibly the entire Southeast, the elegant, historic, apse-shaped Auditorium of the Cultural Center, where school assemblies were once a daily routine for local students, offers a remarkable experience to visitors and audiences alike. The intimate 395-seat theater contains original woodwork, ceiling, seats, and chandelier. In this setting, the Center has built a reputation for excellence in performance by presenting theatre, dance, music, lectures, and other programs featuring regional, national, and international talent.

*The Madison Chamber Music Festival is made possible in part through the significant support of the Robert M. and Lilius Baldwin Turnell Foundation. Robert was a visionary who, with several others, formed a foundation to purchase and protect the 1895 Graded School Building in which the Madison-Morgan Cultural Center is housed. Lilius became the patron whose quiet and generous support continued Robert's vision. The Festival is dedicated to their memory.*

## Experience the living history of MADISON!

A magical southern city just an hour east of Atlanta, MADISON survived Sherman's March to the Sea almost unscathed. Its National Register Historic District is the state's largest collection of 19th century architecture, earning it a place on Budget Travel's 2012 "16 Most Picturesque Villages in the World" and *Southern Living's* "Best Small Town in Georgia" for the third year in a row.
