2017*

Welcome

2017 has been an outstanding year for the MMCC! We celebrated 41 years of excellence, serving over 25,000 individuals! We also completed our \$1.5 million-dollar capital campaign to preserve our 1895 historic building. We served over 3,900 students from Morgan County and the surrounding areas through our student series, bringing children and adults together through theater!

We Need your Help!

We know that you are already strong supporters for the Cultural Center's work; but as this extraordinary year comes to a close we are asking you to consider doing even more by adding the Cultural Center to your year-end giving plans! And guess what!? Your donations are tax deductible! Thank you for your continued generosity, We are excited to see what 2018 holds!
