# Madison Chamber Music Festival Benefits at the MADISON-MORGAN CULTURAL CENTER

*The Madison-Morgan Cultural Center is a multi-disciplinary non-profit institution that endeavors to enrich the lives of the residents of its immediate community and the broader region by presenting high quality programming and educational opportunities in the fields of visual and performing arts, history, and other humanities. The Cultural Center will preserve and interpret its historical 1895 building and will cooperate with other organizations which have mission compatible goals.*
